### Product Information

#### ProGuard Windshield Washer Fluid

**ProGuard Windshield Washer Fluid** is a methanol based cleaning solution suitable for use in all new or old production vehicles. It is available as a concentrate solution and two pre-mix solutions.

**ProGuard Windshield Washer Fluid** concentrate is available in both a clear solution or dyed blue. Deionized or distilled water should always be used when diluting the concentrate solution to a desired final dilution ratio. The pre-mix solutions offer convenient, ready-to-use products that do not require dilution.
